SCHOOL ADMINISTRATORS STUDY TEAM MANAGEMENT

DAYTON, Ohio, October 17, 1978 --- School principals and mid-management personnel from a nine-county area will (on Thursday, October 19, 9 a.m. to 3 p.m.) be participating at the University of Dayton in a Workshop on Team Management. The workshop, hosted by UD's Office of Educational Services for the Special Services Division of the Dayton Area Superintendents Association, will feature Dr. Robert A. Boyd, superintendent of the Lakewood (Ohio) schools.

Approximately 80 people at the workshop will be studying team management, a style of management designed to avoid the problems of autocratic organization which can lead to low job satisfaction, poor performance, and high turnover. Dr. Boyd, who has written on team management and other subjects, will be assisted at the UD workshop by Fiore Tassone, president of the Lakewood Elementary Principals Association, and by Robert R. Hayden, president-elect of the Lakewood Organization of School Administrators.

For further information, contact Kenneth Crim of UD's Office of Educational Services, 229-2549.
